

Managing Remote and Virtual Teams

Course Overview

The business model is constantly evolving. Managing remote teams – a rarity just a few years ago – is now a common occurrence. Working virtually offers unique advantages and challenges. But how do you best leverage these benefits while overcoming impediments?

This course will teach you to adjust your management style to successfully improve communication, foster connections, increase productivity, and develop remote and virtual teams. Focused on practical skills, this course includes activities to apply these techniques and drive results.
