

Strategic Negotiation Skills

Course Overview

Negotiating is an art form. To get what you want, you need to be aware of the other side's objectives, seeking a mutually beneficial result. You must be able to decide on a goal, plan carefully, and apply key skills and tools to reach a successful outcome.

In this course, you will learn the essential strategies and techniques needed to guide negotiations from opening discussions through to a positive result. With discussion and hands-on training, you will leave with practical solutions to negotiating effectively.
